

CF1: Picnic Table
Instruction Manual

Raw Material:

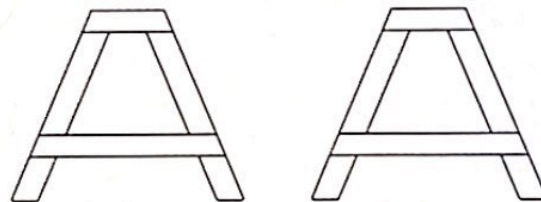

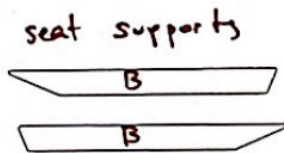

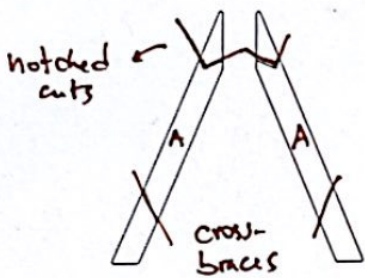

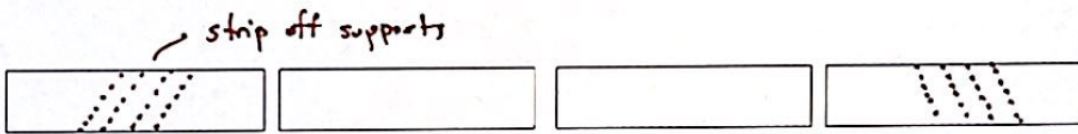

- 1x 14ft 2x10 Lumber
- 4x A-Frame

Preparation:

- Divide barrier into 4 roughly equal parts
- Cut top of two A-frames as table-top supports
- Use vertical pieces of third A-frame as seat supports
- Create two notched cross-braces out of last A-frame

do this last so you can eyeball the proper cut locations

tabletop supports

Assembly:

- 30 screws
- (it's symmetric)
